Subject: [Non-DoD Source] RE: For Review: Soil Report RTCs
Attachments: RTC_Draft Parcels B and G Soil Report_041018.xlsx

Hi Pat and Matt,

I updated the Parcels B and G RTCs to include revised responses based on our discussions on today's status call. We are working on creating the draft final report to address all these comments but it may be a good idea to send these out to the Technical Team now and follow-up with the draft final version. If you agree, please review the following and/or let me know if I can send this on to the Technical Team:

- Blue highlighted rows that are responses to DTSC, CDPH, and SFDPH comments on the responses to comments.
- Green highlighted responses that were changed a bit based on our discussions on today's status call.

Thanks!

Kim

Subject: For Review: Soil Report RTCs

Hi Pat and Matt,

Attached are the RTCs you currently have for review and include:

- Responses to DTSC, CDPH, and SFDPH comments on the responses to comments on the Parcel G report. They are the rows highlighted blue (Matt, you just need to review row 105 as you have already reviewed DTSC and CDPH responses).

- Responses to DTSC, CDPH, and SFDPH comments on the Parcels D-2, UC-1, UC-2, and UC-3 report.

- NEW! Updated Appendix B that includes a supplement that explains how the data evaluation forms were filled out.

Thanks!
